1. Gen. Cassidy has requested that a briefing be organized on Thursday, 20 November, for Gen. Hull, Gen. 2. Following the briefing by the Comptroller's Office, the members of the Board would like to continue the same theme in a briefing by the DD/P on how a DD/P project is handled. They would like a thorough description giving details on the handling of the project, with particular reference to the finances from the time the idea for the project is originated until it is concluded and fully accounted for. They are particularly interested in how the expenditures are authorized, etc.
